

As a resident of the local community my family and I are served very well by K-Love Radio and the programming they provide. If K-Love Radio were to be displaced by an LPFM broadcaster providing other programming we will no longer benefit from the family safe material that we enjoy. The service provided by K-Love is in the public interest because of the community interest and services they provide to the public. It does not contain any harmful material and is free from distasteful commercials and commentary that can be heard on other radio stations. Please do not displace K-Love Radio with an LPFM broadcaster. Thank You. J. Palm
